

Welcome to your camp stay here with us at Hotell Älvdalen!

Here are a few things to think about during your stay:

It is very important that you eat your meals at the times you have been assigned. These are planned according to your training schedule and based on how our restaurant are booked by other guests.

We want one of the leaders together with our restaurant staff, to check that the camp participants, do not put too much food on their plates. Rather have a "normal" portion, come back for a second one, if you are still hungry. *This is to reduce wastage of food and we can still keep our camp rates at a minimum.*

If you are allergic. Specially pre-ordered food is in the kitchen. Ask the restaurant staff for help. At breakfast the food is on the breakfast buffet, ask the staff if you have any questions.

If you go outside your room **ALWAYS** put shoes on your feet. This for your own safety, so you don't get hurt on pieces of glass and such like, that may be on the floor of the restaurant.

We do not want you to run in hallways, fire stairs, elevator and other public spaces.

Always put bed linens in your beds. If we see that you don't, our staff will make your beds and then we charge your camp association for the cost.

Lost room key will be charge.

If you have extra beds in your room, do not stand or jump in them, they will break. Be careful!

If you need to borrow a vacuum cleaner - ask the reception.

Sauna & hot tub is for the other guests at the hotel, not for camp participants.

Upon departure the rooms will be inspected with a leader and a representative from the hotel. The room should be roughly cleaned.

Free wifi on the hotel.

Hotell Älvdalen is happy to have you as our guests and we hope you will have a lovely stay here at our hotel!
